Quick Start Guide - Document in Drive

Fee Waivers - Fee waivers are available to junior and senior students who participate in the Federal free and reduced lunch program. You must fill out the application at www.schoolcafe.org to determine your eligibility. Receiving free lunch at school this year does not automatically qualify you for the fee waiver. A total of 4 fee waivers may be used by a single student over his high school career, beginning in the junior year.

Registration Tips

- The most important thing to remember when registering at **myact.org** is to meet the deadline. Late charges apply. The current cost of the test is \$60.00.
- Students are recommended to begin testing by the beginning of the junior year. A student may test as often as they wish and is never penalized for a lower score, meaning your highest score is always recognized.
- Be sure to include the **TOPS 4 digit code of 1595** on your registration. This assures that your score will be sent directly to the student financial aid office. *VERY IMPORTANT if you wish to secure TOPS.*
- Athletes who anticipate playing collegiate sports are encouraged to list the NCAA athletic association on your registration as well. That **code is 9999**.
- When registering, students may select up to 4 colleges or institutions to receive a score copy. You may select more, however fees will apply.
- Students are encouraged to rotate your college choices around so that your score may be sent to multiple schools.
- Archbishop Shaw is a National testing center for all tests this academic year, except for the July test. You may select to test at Shaw, **test center code 206320**, or any school you desire.

- Students are responsible for bringing in a PRINTED admission ticket, proper identification, a sharpened pencil and an ACT approved calculator. At the present time, face masks are required.
- Please find attached a flier announcing testing dates for this school year.
